NTUC Health Co-operative Ltd

CHARTERED DESIGNATIONS

Chartered Designation Award is a professional certification and accreditation conferred by the Chartered Institute of Logistics & Procurement (CILP), a chartered institution of the World Certification Institute (WCI). It is awarded to individuals who have demonstrated a high level of knowledge, skills, and experience necessary to excel in their field or industry of logistics, procurement, and supply chain management.

Chartered designations are widely recognised globally by employers and other professionals in the logistics, procurement, and supply chain management fields. They signal that an individual has met a high standard of excellence and is qualified to work in the field.

CSM™

Chartered
Supply Chain Manager

CPM™

Chartered
Procurement Manager

ELIGIBILITY CRITERIA

Hold an active **Professional Designation (ASP™/AIP™)** or an approved equivalent.

Attain **2 Certificates of Competency (CoC)** at the managerial or leadership level.

Presidents or Chief Executive Officers may be considered for admission under exceptional circumstances.

All applications are subject to review and approval by the Board. Chartered status valid for five years, with admission as a Fellow of CILP.

PROFESSIONAL DESIGNATIONS

Becoming an Accredited Sustainability Professional or Accredited Artificial Intelligence Professional demonstrates a professional's expertise and commitment to staying at the forefront of industry developments. These globally recognised accreditations can open up new job opportunities and support career advancement across different countries and regions.

They showcase a professional's level of knowledge and skills in critical fields such as sustainability, artificial intelligence, logistics, procurement, and supply chain management, helping individuals stand out in an increasingly competitive and technology-driven job market.

ELIGIBILITY CRITERIA

ASPTM Accredited Sustainability Professional

A Member of SIPMM

Attain 3 Certificates of Competency (CoC).

At least 1 CoC from the **Sustainability** category.

AIPTM Accredited Artificial Intelligence Professional

A Member of SIPMM

Attain 3 Certificates of Competency (CoC).

At least 1 CoC from the **Artificial Intelligence** category.

Managers may be considered for admission under exceptional circumstances

All applications are subject to review and approval by the Board.

CERTIFICATE OF COMPETENCY (COC)

Certificates of Competency (CoC) are SIPMM's structured professional learning programmes. Each CoC is designed to develop specific, practical competencies in purchasing and supply management, aligned with industry practices and professional standards.

By completing CoC programmes, members progressively build knowledge and capability, from foundational skills to managerial and leadership competencies, leading towards professional and Chartered designations.

ABOUT SIPMM

The Singapore Institute of Purchasing and Materials Management (SIPMM) is the nation's professional body for the LPS sector - the sector which includes professionals in Logistics, Procurement and Supply Chain. Since its founding in 1972, SIPMM has trained over 100,000 LPS professionals through its comprehensive suite of Specialised Qualifications, Executive Development Programmes as well as Specialised In-House Workshops across the region - which includes Multinational Firms, ICT Conglomerates, Governments, and the Armed Forces.

SIPMM is best recognised for founding the Official Singapore Purchasing Managers' Index (PMI) in 1998 and co-founding the Official China PMI in 2002. The Official Singapore PMI is the key barometer of the Singapore Manufacturing Economy, while the Official China PMI is widely regarded as a reliable indicator of the China Manufacturing Economy.

SIPMM co-founded the International Federation of Purchasing and Materials Management (now known as the International Federation of Purchasing and Supply Management) in 1974 and has actively collaborated with industry chambers such as the China Federation of Logistics and Purchasing, the Singapore Procurement Federation and the National Trades Union Congress.

With over 5 decades of Progressive Professional Development in Singapore and the region, SIPMM is committed to supporting professionals and organisations be Future-Ready for the Future Economy.
