FELLOW

A photograph of a man and a woman in a modern office setting. The man, on the left, has a beard and is wearing a grey blazer over a light blue shirt. He is looking towards the right with a slight smile. The woman, on the right, has short white hair and is wearing glasses and a light-colored blazer. She is looking at a laptop screen. The background is dark with some green and yellow lights, suggesting a modern office environment.

Elevate Your Professional Prestige as a Distinguished SIPMM Fellow Member

The Fellow designation is an esteemed recognition granted to long-standing senior professionals. This prestigious title is conferred upon existing members holding leadership positions and represents the pinnacle of professional accomplishment within the field. It is the highest level of membership attainable within the Institute.

MEMBERS OF THE ADVISORY BOARD

As the nation's professional body for the Logistics, Procurement and Supply Chain sector, the Industry Advisory Board will provide strategic direction for companies to mitigate the global macroeconomic and geopolitical risks.

The collective global expertise of the Advisory Board will further uplift the LPS profession for Logistics, Procurement and Supply Chain and enable members to contribute meaningfully to a purposeful and sustainable future.

PETER TAY (CHAIR)

Chief Executive

ALPS Pte. Ltd.

Mr Peter Tay helm the appointment of the first Chief Executive Officer (CEO) of ALPS Pte Ltd (ALPS), the national integrated supply chain management agency formed in 2018.

He is instrumental in bringing together healthcare supply chain professionals from three public healthcare clusters, to meet the needs of procurement and supply chain integration for Singapore's public healthcare system. He is also responsible for stewarding efforts to improve supply chain functions and extracting the best value for the healthcare system to keep healthcare costs affordable.
